**Oregon State**  
UNIVERSITY

Accommodations for disabilities may be made by calling 541-737-2414

# Information for Presenters

## 2019 Oregon NASA Space Grant SCORE Symposium

### Presenter Guidelines

**Abstracts:** A brief abstract of your work is due via email no later than **Friday, May 10, 2019**. Abstracts should be no longer than 250 words and should include your project purpose, methodology, results, and conclusions. Presenters should use these abstracts as guides when constructing their oral presentations. Please email your abstract as a Word document or rich text file to the following email address: [catherine.lanier@oregonstate.edu](mailto:catherine.lanier@oregonstate.edu).

**Posters:** A poster representing the fundamentals of your research project is required. Posters will be displayed during the Symposium sessions and will be retained by the Oregon Space Grant for future display on the OSU campus and at future Space Grant functions. Posters should be printed at a size of 48" x 36" horizontally. **Posters MUST be laminated; please do NOT mount posters on foam board.** Poster set up is from 8:45-9:30am on the day of the Symposium. Please be there during that time to set up your poster, which will remain on display until the end of the event.

**Presentations:** Oral presentations should elaborate upon your abstract. Each presenter will be allotted 20 minutes, which includes time for Q & A. Presentations running over the allotted time will be stopped by the moderators. PowerPoint presentations are suggested. A laptop and projection equipment will be available. Please bring your presentation on a USB drive. Presentations will be retained for posting on the OSGC website.

**Logos:** As the funding source for your projects, please include both the NASA and National Space Grant Program logos on your posters. You may also want to include the logo from your respective institution. Appropriate logos have been sent via email; if you did not receive the acceptable logos, please contact the Space Grant office.

**Attendance and Travel:** All Oregon Space Grant funded students participating in the SCORE Program are required to present their work at the SCORE Student Symposium. No additional travel funds will be provided.

**Location:** The Symposium will be hosted in the LaSells Stewart Center in the AG Science Room. LaSells Stewart Center is located on the southeast corner of SW 26<sup>th</sup> Street and SW Western Blvd. across from Reser Stadium on the OSU campus in Corvallis. There is student and visitor pay parking at Reser Stadium. Permits can be purchased the day of the event at kiosks located in the parking lot or ahead of time at <https://my.parking.oregonstate.edu/sales/>; select Daily & Monthly Permits.
