

Guidelines for Space Grant Director & Lead Institution Changes Checklist for Consortia

Effective as of 8.16.2022

Change of Director

Step 1: Notify NASA Headquarters National Space Grant Program Office

If a consortium director leaves his/her position, or proposes to do so, the National Space Grant Program Manager/Deputy Manager should be notified in writing via email as soon as possible from the Chief Academic Officer/Authorizing Organization Representative (AOR) of the lead institution.

Step 2: Appoint an Interim Director

The Chief Academic Officer/AOR of the lead institution will recommend to NASA, for approval, the appointment of an interim director. Note: Both the interim and permanent directors must be from the lead institution. This recommendation should also include the curriculum vitae of the recommended interim director. The Program Manager/Deputy Manager will communicate with the award technical officer to have the award documentation (NF 1687) updated.

The interim director should be appointed for a period not to exceed 12 months. The interim director's term will end upon transition of the new director into the Consortium.

Step 3: Convene a consortium-wide meeting

Within six months after giving notice of the proposed change, the interim director or lead governing body of the consortium must convene a consortium-wide meeting to discuss proposed changes. The purpose of this meeting is to discuss consortium changes, reach a consensus on the proposed director change, and agree upon the contents of the formal request to NASA Headquarters. The list of invited attendees shall include names and institutions represented. Note: Include National Space Grant Program Staff in the attendee listing.

Step 4: Send formal request to NASA Headquarters, National Space Grant Program Manager

The formal request to the National Space Grant Program Manager/Deputy Manager for changes in the consortium must include the following elements as a single package:

- Vita of recommended consortium permanent director;
- If the consortium-wide meeting results in recommendations for changes to the current program plan (including, but not limited to, budget distribution or allocation, consortium director salary/fringe, program assistants and/or CMIS point of contact), a

- new program plan with budget must be submitted;
 - Statement from the lead institution describing matching funds, institutional resources, and general support for program leadership, including office space for management and other consortium activities;
 - Minutes of the consortium consensus meeting, including a list of attendees, any proxies provided and institutions represented and including minority reports, if any.
- The Space Grant Manager/Deputy Manager will communicate with the award technical officer to make any required changes to the award documentation (NF1687).

Change of Lead Institution

Step 1: Notify National Space Grant Program Office

In case the consortium determines that a change in the lead institution is needed/desired due to a variety of reasons, the National Space Grant Program Manager/Deputy Manager should be notified via email as soon as possible by the Chief Academic Officer/Authorizing Organization Representative (AOR) of the lead institution, that both the Lead Institution and possibly the Director will be changing (the Director must be from the lead institution). NOTE: In cases where the Lead Institution changes, NASA will terminate the old award, and issue a new award at the new Lead Institution, refer to the [NASA Grants and Cooperative Agreement Manual](#) Section 7.7.

Step 2: Appoint an Interim Director

If applicable, the consortium advisory board/committee and the Chief Academic Officer/AOR of the proposed lead institution will recommend to NASA, for approval, the appointment of an interim director. Note: Both the interim and permanent directors must be from the lead institution. This recommendation should also include the curriculum vitae of the recommended interim director. The Program Manager/Deputy Manager will communicate with the award technical officer to have the award documentation (NF 1687) updated.

The interim director should be appointed for a period not to exceed 12 months. The interim director's term will end upon transition of the new director into the Consortium.

Step 3: Convene a consortium-wide meeting

Within six months after giving notice of the proposed change, the interim director or lead governing body of the consortium must convene a consortium-wide meeting to discuss proposed changes. The purpose of this meeting is to discuss consortium changes, reach a consensus on the Lead Institution change (and change of Director if necessary), and agree upon the contents of the formal request to NASA Headquarters. The list of invited attendees shall include names and institutions represented. Note: Include National Space Grant Staff in the attendee listing.

Step 4: Send formal request to National Space Grant Program Manager, NASA Headquarters

The formal request to the National Space Grant Program Manager/Deputy Manager for changes in the consortium must include the following elements:

- Vita of recommended consortium permanent director.
- If the consortium-wide meeting results in recommendations for changes to the current program plan (including, but not limited to, budget distribution or allocation, consortium director salary/fringe, program assistants and/or CMIS point of contact), a new program plan with budget must be submitted.
- Statement from the new lead Institution describing matching funds, institutional resources, and general support for program leadership, including office space for management and other consortium activities.
- Minutes of the consortium consensus meeting, including a list of attendees, any proxies provided and institutions represented and including minority reports, if any.
